

AUGUST - ROLLING PINWHEEL

Light fabric Cut 8 pieces at $2\frac{1}{2} \times 4\frac{1}{2}$ inches.

Cut 12 pieces at $2\frac{1}{2}$ inch square

Cut 4 pieces at $2\frac{7}{8}$ inch square, cut in half diagonally.

Dark fabric Cut 4 pieces at $2\frac{1}{2} \times 4\frac{1}{2}$ inches

Cut 8 pieces at $2\frac{1}{2}$ inch square

Cut 4 pieces at $2\frac{7}{8}$ inch square, cut in half diagonally.

Sew a light and a dark triangle together to make a half square triangle. See diagram. Make 8 units.

Using the dark $2\frac{1}{2} \times 4\frac{1}{2}$ rectangles place a light $2\frac{1}{2}$ inch square on right side and sew on a diagonal line from center top to bottom right corner. See diagram. Trim away extra towards the top. Press up.

Place a $2\frac{1}{2}$ inch square on the left side and sew a diagonal line this time from the center top to the left bottom corner.

You should have a Flying geese unit, need 4 units.

Repeat the flying Geese process using only 4 of the light $2\frac{1}{2} \times 4\frac{1}{2}$ rectangles. Make 4 of these units.

Lay out block using the diagram below.
